IMPORTANT INFORMATION

- Groups are responsible for providing all of the prizes/auction items/baked goods etc. for their event.
- 50/50 and Raffle groups MUST apply for and obtain the proper license from the Town of Hanover (Forms available on our website). License must be displayed during the event. (license not required for silent auction or bake sales)
- Hanover Raceway will provide tables and chairs as needed.
- Groups MUST provide their own cash floats for any activities.
- Groups are responsible for providing an adequate number of volunteers based on events chosen. Hanover Raceway can help in determining those numbers.
- Groups needing marketing help should provide logos and info 30 days prior to the event for marketing help.
- We are a rain or shine destination - if, due to torrential down pours/unsafe track conditions the races are cancelled, a rain date will not be made up, but we'll endeavour to try and re-schedule if possible. If that is not possible, Hanover Raceway will issue a one-time donation to compensate.
